batter matters

Our batters are made fresh on site using beautiful ingredients. The buttermilk pancake stacks are made with our organic flour blend including buckwheat flour that, amongst many other attributes, lowers cholesterol and blood sugar levels. Equally, our high welfare eggs and buttermilk are a superb source of minerals, vitamins and proteins.

another batter: vegan, dairy-free & wheat free

We are aware of the food sensitivities of many of our guests. Our vegan pancakes are made with gluten-free organic rice & buckwheat flour, soy milk, coconut oil and cider vinegar.

ciders & beer

We stubbornly believe that ciders are a perfect match with pancakes. We are grateful to the French but mostly we credit apple trees for producing the rather genius mother of all fruits.

The cider produced in the northern Basque region of Spain is our Autumn favorite.
