... this pancake day!

Our batters are made fresh on site using beautiful ingredients. The buttermilk pancake stacks are made with our organic flour blend including buckwheat flour that, amongst many other attributes, lowers cholesterol and blood sugar levels. Equally, our high welfare eggs and buttermilk are a superb source of minerals, vitamins and proteins.

our collaborators ...

rubies in the rubble

This Pancake day we have joined forces with *Rubies in the Rubble*, a sustainable food company that makes delicious high quality condiments from fresh produce that would otherwise be wasted – to fight food waste. Harking back to the roots of Shrove Tuesday, using up waste ingredients before lent, we have created two “Thoughtful pancakes” using excess produce.

swaledale butchers

We're very proud to be working with Swaledale Butchers from North Yorkshire as they produce the finest, outdoor reared Middle White and Tamworth pig breeds. They are committed to better farming and better animal welfare – which in turn is better for all of us.

après @ flat iron square

The immensely popular chalet is the brainchild of Flat Iron Square. Après will continue past the winter months, from the 6 nations, to the winter olympics, to ongoing events throughout the year.
