batter matters

Our batters are made fresh on site using beautiful ingredients. The buttermilk pancake stacks are made with our organic flour blend including buckwheat flour that, amongst many other attributes, lowers cholesterol and blood sugar levels. Equally, our high welfare eggs and buttermilk are a superb source of minerals, vitamins and proteins.

another batter: vegan, dairy-free & wheat free

We are aware of the food sensitivities of many of our guests. "Another batter" is vegan, dairy-free and gluten-free by using the key ingredients of organic rice & buckwheat flour, soy milk & chickpea water. (£2 additional charge)

Rubies in the Rubble

This Pancake Day we have joined forces with *Rubies in the Rubble*, a sustainable food company that makes delicious high quality condiments from fresh produce that would otherwise be wasted – to fight food waste. Harking back to the roots of Shrove Tuesday, using up waste ingredients before lent, we have created two "Thoughtful pancakes" using excess produce.

Swaledale Butchers

We're very proud to be working with *Swaledale Butchers* from North Yorkshire as they produce the finest, outdoor reared Middle White and Tamworth pig breeds. They are committed to better farming and better animal welfare – which in turn is better for all of us.

ciders & beer

cider

We stubbornly believe that ciders are a perfect match with pancakes. We are grateful to the French but mostly we credit apple trees for producing the rather genius mother of all fruits.

The cider produced in the northern Basque region of Spain is our Autumn favorite.
