

## Choose your batter

**Batter matters.**  
We offer standard buttermilk or 3-in-1 batter.

Our standard buttermilk batter is made with an organic flour blend that includes buckwheat, known to lower cholesterol & blood sugar levels. The 12-ingredient strong batter includes buttermilk, panela sugar & high welfare eggs - all amounting to lots of good minerals, vitamins & proteins.

Aware of the food sensitivities of many of our customers, we also offer a 3-in-1 batter which is vegan, dairy-free & wheat-free by using organic rice and buckwheat flour, soy milk & aquafaba.

v – vegetarian    voa – vegan option available  
wf – wheat free    ve – vegan

As a by-product of the buttermilk-fermented batter, our pancakes are “slow” to cook. You may have to wait a little longer than you would expect. We think it’s worth it!

With heaps of tender loving care, we prepare and serve you the best quality & freshest ingredients for all our dishes. From batter to beans, we make everything in house every day, always.
